FOREWORD

In this Fifteenth Edition of the Directory, is contained the list of fully accredited and Interim accredited programmes offered in the Polytechnics, Monotechnics and similar tertiary technical institutions in Nigeria whose graduates may be awarded the National Diploma (ND), Higher National Diploma (HND), Full Professional Diploma (Post-HND) and National Innovation Diploma (NID) as the case may be.

The Directory has continued to be an authoritative source of information to all stakeholders, guidance/councilors about the status of the programmes offered in Nigerian Polytechnics, Monotechnics, Innovation Enterprise Institutions and similar Tertiary institutions as well as admission requirements into the programmes.

The Directory covers different programmes which are offered in the Polytechnics, Monotechnics and similar tertiary technical institutions and for which National Curricula have been developed by the Board.

*Only the programmes listed against the institutions as having Accreditation/Interim Accreditation are nationally recognized as ND, HND, Post HND and NID as the case may be, as at January 2010. This Directory is also available on the Board's website at **www.nbte.gov.ng***

I congratulate heads of the institutions whose programmes have attained accreditation status and are listed in this edition of the directory for ensuring that the programmes offered by their institutions met the national minimum academic standards as laid down by the Board. It is expected that all programmes listed as having Interim accreditation to commence or for one (1) year will earn full accreditation when they are visited in the third or fourth semester from the commencement date or after the one (1) year grace period. Institutions that offer programmes whose full Accreditation/ Interim Accreditation periods are about to expire should make arrangements to ensure their accreditation before the expiry dates, to avoid de-listing of the programmes from the Directory.

Engr. Dr. Nuru A. Yakubu, FNIM, OON
EXECUTIVE SECRETARY
NATIONAL BOARD FOR TECHNICAL EDUCATION

GENERAL INFORMATION

I. HOW TO APPLY FOR ADMISSION INTO A PROGRAMME

The Joint Admissions and Matriculation Board (JAMB) conducts all direct admissions into the National Innovation Diploma (NID) and National Diploma (ND) programmes offered by all polytechnics and similar tertiary institutions in the country, except for candidates who enrolled in the appropriate Preliminary National Diploma course, who may take the JAMB examination before registering for ND 1. Usually, a prospective candidate for national diploma programme applies to JAMB for application form, writes the matriculation examination and on the basis of his/her score in the examination, and other criteria that may be laid down by the proprietor of the institution, the candidate may be offered provisional admission. The final admission of the candidate however, depends on his/her meeting the minimum admission requirements as laid down by NBTE.

In the case of admissions into other programmes offered by the polytechnics, namely, the Higher National Diploma (HND) and the Preliminary National Diploma (PRE-ND) the following procedure may apply.

Application forms are usually obtained from the individual institutions. Completed forms are returned to the institutions. Many institutions now provide on-line application/registration.

Admission of a candidate into a programme is the prerogative of the Academic Board of the institution which should ensure that the candidate meets the minimum entry requirements for the programme as laid down by the NBTE.

II. GENERAL ADMISSION REQUIREMENTS INTO NATIONAL DIPLOMA PROGRAMMES

The minimum entry requirements for the ND/NID Programmes are as follows:

1. SSCE/GCE ordinary level or its equivalent with credit passes in five subjects relevant to the programme obtained at not more than two sittings;

3. The National Technical Certificate (NTC) or National Business Certificate (NBC) with pass in a trade plus four relevant academic subjects and at least a pass in English Language.
4. A satisfactory score in the UTME examination, which is conducted annually by JAMB.
5. Holders of the Advanced National Technical Certificate (ANTC) may be given enhanced placement in the ND Programme provided they have also met the minimum entry requirements into the ND programmes and obtained good grades in the ANTC Examinations.

Entry Requirements into Pre-National Diploma Course

For the Preliminary National Diploma Programme, the general entry requirement is five GCE O'Level/SSCE with minimum of pass grades in not more than two sittings in subjects relevant to the programme.
