FOREWORD

In this eight edition of the directory, efforts have been made to ensure accurate presentation, as at March 1994, of the list of accredited or approved programmes offered by the Polytechnics, monotechnics and similar tertiary institutions whose diplomates can therefore be awarded the National Diploma (ND) and Higher National Diploma (HND), as the case may be, in accordance with the provision of the Education (NationalMinimum Standards and Establishment of Institutions) Decree 16 of August 1985.
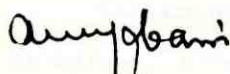

Since the seventh edition of the directory was issued in March 1993, the nomenclature of some polytechnics have changed with their take-over by the Federal Government. The affected polytechnics and their current nomenclature are as follows:-

Former Nomenclature	Current Nomenclature
1. Auchi Polytechnic, Auchi	The Federal Polytechnic, Auchi
2. Anambra State Polytechnic, Oko	The Federal Polytethnic, Oko
3. The Polytechnic, Nekede-Owerri	The Federal Polytechnic, Nekede-Owerri

The change in the nomenclature of these institutions have not affected the accreditation/approval statuses of the various programmes offered by them.

The directory has continued to be an authoritative source of information to all persons - students, employers, guidance counsellors, registration councils, the NYSC Directorate and other organisations about the programmes run by Nigerian Polytechnics, monotechnics and similar tertiary institutions, their admission requirements, and application procedure.

I congratulate the heads of the institutions listed in this edition of the directory for ensuring that the programmes offered by their institutions met the national minimum academic standards as laid down by the Board. It is also hoped that all programmes listed as approved to run pending accreditation will earn accreditation when they are visited in the fourth semester (second semester of the second year) of the programme in the case of the National Diploma and the second semester of the Pre-ND programme.

DR. A.M. YABANI,
Executive Secretary,
National Board for Technical Education,
Kaduna - Nigeria.

March, 1994.

ACCREDITED PROGRAMMES IN NIGERIAN POLYTECHNICS AND SIMILAR TERTIARY INSTITUTIONS

INTRODUCTION

In exercise of the powers confered on her by the Education (National Minimum Standard and Establishment of Institution) Decree 16, of August 1985, the National Board for Technical Education (NBTE)has granted accerditation to the various programmes offered.by Nigerian Polytechnics, Colleges of Agriculture and similar tetiary institutions which are listed below. Institutions offering the programmes may award the National Diploma (ND) and Higher National Diploma (HND) as appropriate to diplomates of the programmes with effect from the date the accreditation was granted as indicated against the programme. All programmes granted accreditation will be subject to re-accreditation after five calendar years.

Approval granted to aprogramme pending accreditation is for a period of two years. It is hoped that the affected Institutions will ensure that the programme earn accreditation in the last semester of the second year of running the programmes.

INSTITUTIONS AND THE ACCRDITED/APPROVED PROGRAMMES OFFERED BY THEM AS AT MARCH 1993.

HOW TO APPLY FOR ADMISSION INTO A PROGRAMME

All direct admissions into the National Diploma (ND) programme offered by the polytechnics in the country are now done by the Joint Admissions and Matriculation Board (JAMB), except for candidates who enrolled in the appropriate preliminary national diploma courses. Usually, a prospective candidate for national diploma programmes applies to JAMB for application form, write the matriculation examination and on the basis of his/her score in the examination and other criteria that may be laid down by the Proprietor of the institution a candidate may be offered provisional admission. The final admission of the candidate however, rests on his meeting the minimum departmental admissions requirements as laid down by the NBTE.

In the case of admissions into other programmes offered by the polytechnics, namely, the Higher National Diploma (HND) and the preliminary National Diploma (Pre-ND) the following procedure may apply:

An application form is usually obtained from the individual institution for a fee chargeable by that institution. For the Federal Polytechnics, the forms could also be obtained from the NBTE Secretariat Kaduna and the Federal Ministry of Education and Youth Development, Lagos. Completed forms are returned to the institutions.

Admission of a candidate into a programme is the prerogative of the Academic Board of the institution which must ensure that the candidate meets the minimum entry requirements for the programme as laid down by the National Board for Technical Education (NBTE) below:

GENERAL ENTRY REQUIREMENTS FOR HND PROGRAMMES

Applicants with all the following qualifications may be considered for direct entry into the Higher National Diploma Programmes:

1. The minimum entry requirements for the ND programme in the specific field; or their equivalents;

2. The National Diploma with a minimum of lower credit pass in the discipline obtained from an NBTE accredited programme or its equivalent;

3. A minimum of one year post National Diploma cognate work experience in the field of specialisation.

4. A pass ND certificate with a minimum of two years post ND work experience.

5. For the HND Bilingual Secretarial Programme, a pass in French Language at the SSCE/GCE or equivalent qualifications will be an advantage. All candidates will be expected to pass an intensive 16 weeks French Language course prior to the commencement of the programme.

ENTRY REQUIREMENTS INTO PRE-NATIONAL DIPLOMA PROGRAMMES

For the preliminary National Diploma programme, the entry requirement is four GCE 'O' Level or SSSC ordinary passes at two sittings in subjects relevant to the programme. Specific admission requirements for the pre-ND programmes are as follows:

Pre-ND Science and Technology:

1. GCE 'O' Level or SSSC ordinary passes or their equivalent in English Language, Mathematics and two subjects from Physics, Chemistry, Biology, or all the three science subjects depending on the programme in which the applicant will finally enrol.

2. City and Guilds/ WAEC Intermediate Certificate and the Federal - Craft Certificate with credit passes in English Language, Mathematic and Intergrated Physical Sciences (Physics/ Chemistry).

Pre-ND Business/Financial Studies:

3. GCE 'O' Level or SSSC ordinary passes or their equivalent in English Languages, Mathematics, and any two of the following. Economics, Commerce, Geography, Business Methods, Principles

of Accounts, Government. At least a pass in economics is essential.

In the case of the pre-ND in Secretarial Studies, the minimum requirement is GCE 'O' Level or SSSC ordinary passes in English Language, and three subjects from the following: Business Methods, Commerce, Typewriting, Shorthand, Literature in English, History, Religious Knowledge, Geography, Mathematics, Economics or their equivalent.

GENERAL ENTRY REQUIREMENTS FOR NATIONAL DIPLOMA PROGRAMMES

The minimum entry requirements for the ND programmes are as follows:

1. SSSC/GCE ordinary level or its equivalent with credit in four subjects relevant to the programme at not more than two sittings;

2. Four credit passes in relevant subjects obtained at the final examination of an NBTE recognised preliminary ND programme offered in a Polytechnic or similar post-secondary technical institution.

3. The National Technical Certificates (NTC) with credit passes in a trade and four academic subjects relevant to the programme and at least a pass in English Language.

Applicants for Technology Programme

Candidates should have a pass at credit level in Mathematics and at least a pass in English Language.

Exceptions are:-

(a) Mass Communication and Art and Design in which a pass at credit level is required in English Language (not Literature in English). A pass grade in Mathematics and Physics is desirable but not a compulsory requirement;

(b) Catering and Hotel Management in which a pass grade in Mathematics is desireable although not a compulsory requirement.

Applicants for Business Studies Programmes

Candidates should have credit passes in English language and Mathematics.

For Secretarial Studies, a credit pass in English Language (not Literature in English) is required. Although a credit pass or pass grade in Mathematics is desirable, it is not a compulsory requirement.

SPECIFIC ADMISSION REQUIREMENTS FOR EACH PROGRAMME

A comprehensive list of the programmes and their specific requirements are shown under each heading below together with the four SSSC/GCE 'O' Level subjects relevant to the programme in which credit passes are required are:

AGRICULTURAL AND RELATED TECHNOLOGY PROGRAMMES

Programme	4 SSSC/GCE 'O' Level Subjects Relevant to the Programme
Agricultural Technology Animal Production Technology Forestry Technology Wildlife Management Technology.	Biology/Agricultural Science, Chemistry and any two of the folowing: 1. Geography 2. Mathematics 3. Economics 4. Statistics 5. English Language 6. Physics 7. Agricultural Science **At least passes in English Language and Mathematics are required of all candidates:**

Programme	4 SSSC/GCE 'O' Level Subjects Relevant to the Programme
Wood and Paper Technology	Chemistry, Biology/Agricultural Science and any two of the following: 1. Physics 2. Mathematics 3. Geography 4. Economics 5. English Language At least passes in Physics, English Language and Mathematics are compulsory.
Agricultural Engineering Technology	Mathematics, Physics, Biology/Agricultural Science, or Chemistry and one other subject. At least passes in Chemistry, Biology and English Language are compulsory.

ART, PRINTING AND RELATED PROGRAMMES

Programme	4 SSSC/GCE 'O' Level Subjects Relevant to the Programme
Art and Design	English Language, Art, and any two of the following: 1. History 2. Chemistry/Physical Science 3. Biology 4. Literature in English 5. Mathematics 6. Clothing and Textiles 7. Religious Knowledge
Mass Communication	English Language and three other subjects from: 1. History 2. Literature in English 3. Economics 4. Art 5. Government 6. A Physical Science 7. Geography Passes in Mathematics, Physics, Electronics/Basic Electricity will be an advantage.

Programme	4 SSSC/GCE 'O' Level Subjects Relevant to the Program
Printing Technology	English Language and Chemistry and two other subjects from Mathematics, Physics, Accounting, Economics, met Work, Basic Electricity and Technical Drawings/Art.
	At least passes in Mathematics and Physics are compulso
Textile Technology	Mathematics
	Physics
	Chemistry and one other subject. At least a pass in Englis Language is compulsory.
	In addition to the above, passes in Art, Clothing and Textile, Technical Drawing, Metal Work, Basic Electricity/Electronics will be an advantage.
