FOREWORD

This is the third edition of the list of all programmes offered by Nigerian Polytechnics and similar Technical Institutions which have been granted accreditation by the National Board for Technical Education up to March, 1989. Also included in this edition are:

- (a) a list of programmes approved to start pending accreditation,
- (b) entry requirements for pre-ND, ND and HND programmes.
- (c) charts showing the accredited programmes at a glance

I hope that this publication will provide all interested students, higher institutions and employers with an up-to-date record of accredited programme in our polytechnics and similar technical institutions.

I wish to congratulate all the institutions listed in this publication for their performances in the accreditation exercise.

DR A. M. YABANI,
Executive Secretary,
National Board for Technical Education,
March, 1989.

ACCREDITED PROGRAMMES IN NIGERIAN POLYTECHNICS AND SIMILAR POST—SECONDARY TECHNICAL INSTITUTIONS.

In exercise of the powers conferred on her by Decree No. 16 Education (National Minimum Standard) of August 1985, the National Board for Technical Education (NBTE) has granted accreditation to various programmes offered by Nigerian Polytechnics and similar Technical Institutions. Institutions offering the programmes can now award the National Diploma (ND) and Higher National Diploma (HND) as appropriate to diplomates of the programmes.

The accreditation granted to the programmes is with effect from October 1985. All programmes granted accreditation will be subject to re-accreditation after five calendar years.

The list of accredited programmes are shown below by Institution and by discipline.

HOW TO APPLY FOR ADMISSION INTO A PROGRAMME

An Application form is usually collected from the individual institution. For a fee, chargeable by that institution. However, for the Federal Polytechnic, the forms can also be obtained from the NBTE Secretariat Kaduna and the Federal Ministry of Education, Lagos after Payment of the stated fee.

Completed forms are returned to the institutions. Admission of a candidate into a programme of an institution is the prerogative of the Academic Board of the institution, which must ensure that the candidate meets the minimum entry requirements for the programme as laid down by the National Board for Technical Education (NBTE).

GENERAL ENTRY REQUIREMENTS FOR HND PROGRAMMES

Applicants with all the following qualification may be considered for admission into Higher National Diploma Programmes by direct entry.

1. The minimum entry requirement for ND Programme in the specific field;
2. The National Diploma with a minimum of lower credit pass in the field of interest;
3. The minimum of one year post National Diploma cognate work experience in the field of specialisation.

ENTRY REQUIREMENTS INTO PRE- NATIONAL DIPLOMA PROGRAMME

For the preliminary National Diploma programme, the entry requirement is four GCE O' Level or SSSC ordinary passes at two sittings in subjects relevant to the programme. Hence, admission into the programmes requires the following:

Pre-ND Science and Technology:

1. GCE O' Level or SSSC ordinary passes or their equivalent in English Language, Mathematics, Physics, Chemistry, Biology.

Pre-ND Business Studies

2. GCE O' Level or SSSC ordinary passes or their equivalent in English Language, Mathematics and any two of the following: Economics, Commerce, Geography, Business Methods, Principles of Accounts, Government.

In the case of the pre-ND in Secretarial Studies, the minimum requirement is four GCE O' Level or SSSC ordinary passes in English Language, and three subjects from the following: Business Methods, Commerce, Typewriting, Shorthand, Literature in English, History, Religious Knowledge, Geography and Mathematics.

GENERAL ENTRY REQUIREMENTS FOR ND PROGRAMMES

The minimum entry requirements for the ND programmes are as follows:

1. GCE Ordinary Level or its equivalent (Teachers Grade II, WASC) with credit passes in four subjects relevant to the programme at not more than two sittings.
2. Four credit passes in relevant subjects obtained at the final examination of *NBTE recognised* preliminary ND programme offered in a Polytechnic or similar post-secondary technical institution.

Applicants for Technology Programme

These group of students should have a pass at credit level in Mathematics and at least a pass in English Language.

Exceptions are:

- (a) Mass Communication and Art and Design in which a pass at credit level is required.

- in English Language (not Literature in English). A pass grade in Mathematics and Physics is desirable but not compulsory
- (b) Catering and Hotel Management in which a pass grade in Mathematics is desirable although not a compulsory requirement.

Applicants for Business Studies Programmes

These groups of students should have credit passes in English Language and Mathematics.

For Secretarial Studies, a credit pass in English Language (not Literature in English) is required. Although a credit pass or pass grade in Mathematics is desirable, it is not a compulsory requirement.

A comprehensive list of the programmes and their specific requirements are listed under each heading below:

AGRICULTURE AND RELATED TECHNOLOGY PROGRAMMES

The four GCE 'O' Level subjects relevant to the programme in which credit passes are required are listed against each programme in the table below:

<i>Programme</i>	<i>4 GCE 'O' Level Subjects Relevant to the Programme.</i>
Agriculture/Agricultural Technology Animal Production Technology Fisheries Technology Forestry Technology Wildlife Management Technology	Biology/Agricultural Science, Chemistry and any two of the following subjects: 1. Geography 2. Mathematics 3. Economics 4. Statistics 5. English Language 6. Physics At least passes in English Language and Mathematics/Statistics are required of all candidates.
Wood and Paper Technology	Chemistry, Biology/Agricultural Science and two of the following: 1. Physics 2. Mathematics 3. Geography 4. Economics 5. English Language At least passes in Physics, English Language and Mathematics are compulsory.
Agricultural Engineering Technology	Mathematics, Physics, Biology/Agricultural Science, and one other subject. At least passes in Chemistry and English Language are required.

ART, PRINTING AND RELATED PROGRAMMES

The four GCE 'O' Level subjects relevant to the programme in which credit passes are required are listed against each programme in the table below:

<i>Programme</i>	<i>4 GCE 'O' Level Passes Relevant to the Programme</i>
Art and Design	English Language, Art, and any two of the following: 1. History 2. Chemistry 3. Biology 4. Literature in English 5. Mathematics 6. Clothing and Textiles 7. Religious Knowledge
Mass Communication	English Language and three other subjects chosen from: 1. History 2. Literature in English 3. Economics 4. Art 5. Government 6. A Physical Science (Passes in Mathematics, Physics, Electronics/Basic Electricity will be an advantage).
Printing Technology	Four Passes at Credit level in: Physics, Chemistry, Mathematics and English Language in addition to the above Passes in any of Economics, Metalwork, Basic Electricity, Technical Drawing/Art will be an advantage.
Textile Technology	Four Passes at credit level in: English Language Mathematics Physics, and Chemistry In addition to the above, passes in Art, Clothing and Textile, Technical Drawing, Metal Work, Basic Electricity/Electronics will be an advantage.

BUSINESS STUDIES PROGRAMMES

The four GCE 'O' level subjects relevant to the programme in which credit passes are required are listed against each programme in the table.

<i>Programme</i>	<i>4 GCE 'O' Level Passes Relevant to the Programme</i>
Accountancy Business Administration and Management Co-operative Studies Finance and Banking Marketing Purchasing and Supply	English Language and Mathematics and two subjects from the following: 1. Economics 2. Business Methods 3. Principles of Accounts 4. Literature in English 5. Commerce 6. History 7. Statistics 8. Geography 9. Government
Secretarial Studies	English Language (not Literature in English) and any three subjects from the following: 1. Business Methods 2. Commerce 3. Economics 4. Typewriting 5. Shorthand 6. Principles of Accounts 7. Mathematics 8. History 9. Literature in English 10. Government 11. Geography 12. Religious Knowledge A pass in Mathematics and a Science subject is desirable although not a compulsory requirement. Candidates will in addition to the qualifications listed above be expected to pass an interview for the final selection.
