FOREWORD

This is the sixth edition of the Directory of Accredited Programmes offered by Nigerian Polytechnics, Colleges of Agriculture and Related Disciplines and Similar post-Secondary Institutions uptill March, 1992.

Also included in this volume are

- a) the list of ND and HND programmes approved by the Board in which institutions may admit students pending accreditation;*
- b) revised entry requirements for the ND programmes;*
- c) tables showing at a glance all accredited/approved ND and HND programmes.*

It is hoped that this sixth edition of the directory will continue to inform the Nigerian public and all interested organization and individuals of the statuses of the various programmes offered by Nigerian polytechnics, colleges of agricultrure and similar post secondary technical institutions.

I congratulate all the heads of institutions that are listed in this edition for their excellent performance in the accreditation exercise.

DR. A. M. YABANI
Executive Secretary
NBTE - March, 1992

ACCREDITED PROGRAMMES IN NIGERIAN POLYTECHNICS AND SIMILAR POST-SECONDARY TECHNICAL INSTITUTIONS

In exercise of the powers conferred on her by the Education (National Minimum Standard and Establishment of Institution) Decree 16, of August 1985, the National Board for Technical Education (NBTE) has granted accreditation to the various programmes offered by Nigerian Polytechnics, Colleges of Agriculture and similar technical institutions which are listed below. Institutions offering the programmes can now award the National Diploma (ND) and Higher National Diploma (HND) as appropriate to diplomates of the programmes.

The accreditation granted to the programmes is with effect from October 1985 or from the date indicated against the programme. All programmes granted accreditation will be subject to re-accreditation after five calendar years.

The list of accredited programmes are shown below by institution and discipline.

HOW TO APPLY FOR ADMISSION INTO A PROGRAMME

All admissions into the National Diploma (ND) programmes in the polytechnics in the country are now done by the Joint Admissions and Matriculation Board (JAMB), save for candidates who enrolled in the appropriate preliminary national diploma courses. Usually, prospective candidates for national diploma programmes apply to JAMB for application forms, write JAMB matriculation examination for admission into polytechnics and on the basis of the candidates score in the examination, may be offered provisional admission. The final admission of the candidate however, rests on his meeting the minimum departmental admissions requirements which are laid down by the NBTE as shown below.

In the case of admissions into other programmes offered by the polytechnics, namely, the Higher National Diploma (HND) and the preliminary National Diploma (Pre-ND) the following procedure may apply:

An application form is usually collected from the individual institution for a fee chargeable by that institution. For the Federal Polytechnics, the forms could also be obtained from the NBTE Secretariat Kaduna and the Federal Ministry of Education, Lagos.

Completed forms are returned to the institutions, Admission of a candidate into a programme is the prerogative of the Academic Board of the institution which must ensure that the candidate meets the minimum requirements for the programme as laid down by the National Board for Technical Education (NBTE).

GENERAL ENTRY REQUIREMENTS FOR HND PROGRAMMES

Applicants with all the following qualifications may be considered for admission into the higher National Diploma Programmes by direct entry.

1. The minimum entry requirements of ND Programme in the specific field;
2. The National Diploma with a minimum of lower pass in the field of interest;
3. A minimum of one year post National Diploma cognate work experience in the field of specialisation.
4. In exceptional cases, candidates with pass ND certificate with a minimum of two years post ND work experience.

ENTRY REQUIREMENT INTO PRE-NATIONAL DIPLOMA PROGRAMME

For the preliminary National Diploma programme, the entry requirement is four GCE 'O' Level or SSSC ordinary passes at two sitting in subjects relevant to the programme. Hence, admission into the programmes requires the following:

Pre-ND Science and Technology:

1. GCE 'O' Level or SSSC ordinary passes or their equivalent in English Languages, Mathematics, Physics, Chemistry, Biology.

Pre-ND Business Studies:

2. GCE 'O' Level or SSSC ordinary passes or their equivalent in English Languages, Mathematics, and any two of the following. Economics, Commerce, Geography, Business Methods, Principles of Accounts, Government.

In the case of the pre-ND in Secretarial Studies, the minimum requirement is GCE 'O' Level or SSSC ordinary passes in English Language, and three subjects from the following: Business Methods, Commerce, Typewriting, Shorthand, Literature in English, History, Religious Knowledge, Geography and Mathematics.

GENERAL ENTRY REQUIREMENTS FOR ND PROGRAMMES

The minimum entry requirements for the ND programmes are as follows:

1. GCE Ordinary Level or its equivalent (Teachers Grade II, WASC) with credit in four subjects relevant to the programme at not more than two sittings;
2. Four credit passes in relevant subjects obtained at the final examination of an NBTE recognised preliminary ND programme offered in a Polytechnic or similar post-secondary technical institution.

Applicants for Technology Programme

These group of students should have a pass at credit level in Mathematics and at least a pass in English Language.

Exceptions are:-

- (a) Mass Communication and Art and Design in which a pass at credit level is required in English Language (not Literature in English). A pass grade in Mathematics and Physics is desirable but not compulsory.
- (b) Catering and Hotel Management in which a pass grade in Mathematics is desirable although not a compulsory requirement.

Applicants for Business Studies Programmes

These group of students should have credit passes in English language and Mathematics.

For Secretariat Studies, a credit pass in English Languages (not Literature in English) is required. Although a credit pass or pass grade in Mathematics is desirable, it is not a compulsory requirement.

A comprehensive list of the programmes and their specific requirements are shown under each heading below:

AGRICULTURAL AND RELATED TECHNOLOGY PROGRAMMES

The four GCE 'O' Level subjects relevant to the programme in which credit passes are required are listed against each programme in the table below:

Programme	4 GCE 'O' Level Subjects Relevant to the Programme
Agriculture/Agricultural Technology Animal Production Technology Forestry Technology Wildlife Management Technology.	At least passes in English Language, credit in biology/ Agricultural Science, Chemistry and any two of the following subjects: 1. Geography 2. Mathematics 3. Economics 4. Statistics 5. English Language 6. Physics 7. Agricultural Science At least passes in English Language, and Mathematics/Statistics are required of all candidates:

Programme	4 GCE 'O' Level Subjects Relevant to the Programme
Wood and Paper Technology	Chemistry, Biology/Agricultural Science and two of the following: 1. Physics 2. Mathematics 3. Geography 4. Economic 5. English Language At least passes in Physics, English Language and Mathematics are compulsory.
Agricultural Engineering Technology	Mathematics, Physics, Biology/Agricultural Science, or chemistry and one other subject. At least passes in Chemistry, Biology and English Language are required.

ART, PRINTING AND RELATED PROGRAMMES

The four GCE 'O' Level subjects relevant to the programme in which credit passes are required are listed against each programme in the table below:

Programme	4 GCE 'O' Level Subjects Relevant to the Programme
Art and Design	English Language, Art, and any two of the following: 1. History 2. Chemistry 3. Biology 4. Literature in English 5. Mathematics 6. Clothing and Textiles 7. Religious Knowledge.
Mass Communication	English Language and three other subjects chosen from: 1. History 2. Literature In English 3. Economics 4. Art 5. Government 6. A Physical Science Passes in Mathematics, Physics, Electronics/Basic Electricity will be an advantage.

Programme	4 GCE 'O' Level Subjects Relevant to the Programme
Printing Technology	Four passes at Credit level in: English Language and Chemistry and two other subjects from Mathematics, Physics, Accounting, Economics, Metal Work, Basic Electricity and Technical Drawings/Art. At least passes in Mathematics and Physics are compulsory.
Textile Technology	At least a pass in English Language and Four passes at credit level in: Mathematics Physics Chemistry and one other subject. In addition to the above, passes in Art, Clothing and Textile, Technical Drawing, Metal Work, Basic Electricity/Electronics will be an advantage.

BUSINESS STUDIES PROGRAMMES

The four GCE 'O' level subjects relevant to the programme in which credit passes are required are listed against each programme in the table.

Programme	4 GCE 'O' Level Subjects Relevant to the Programme
